# PROGRAM OVERVIEW

## WHY TANZANIA?

Exploring Tanzania's famed "Northern Circuit" is like no other journey on Earth. This dramatic landscape is refuge to some of Africa's largest and most exquisite wildlife populations, including wildebeest, elephants, zebra, rare black rhinos, lions, leopards, and gazelles. Blending in with this abundant wildlife are over 100 tribal groups and others of Indian, English and German ancestry. Even beyond its spectacular beauty, it is Tanzania's warm, welcoming and loving people that make it an ideal setting in which to discover the simple joys of African life. Join Global Routes in Tanzania as we immerse ourselves in the generous spirit of Africa.
